Experience

BISAG-N-Web Developer Intern
2021 - 2021
– I have done my Summer Internship at BISAGN Company where I got the exposure about real time problems.
– Learned about Website Development using WordPress.

Projects

Book Reader Application
– In this application user can access any book and can read that book and this application is developed using Android Studio Firebase Real-time Database.

News Feed Application
– In this application user can read various news which is basically a dynamic application developed using Android Studio NewsAPI and also user can search about any news using search bar in our app itself.

Real Time Sign Language Detection
– In this project it is detecting certain sign languages or our hand gestures using Deep Learning for which it can help many hard of hearing or deaf people.

Achievements

· Secured 2nd Rank in Programming Coding Standard Competition, held on 5th May, 2020 at DEPSTAR, CHARUSAT.
· Secured 1st Position in Let's Write Article Competition, held on 29th June, 2021 at DEPSTAR, CHARUSAT.
· I have secured 3* in CodeChef by consistently giving Contests.
